Dear Coach

Althoff will once again be hosting an IDTA regional contest on Saturday, January 12, 2008. Hopefully, you will consider entering this contest. Enclosed is an entry form for the contest – please feel free to share this information with other teams at your school and in your district in case I missed mailing one to some teams. I tried to include the junior high/middle schools, but could have easily missed an interested school.

The entry fee for this contest is \$60 for two routines and an additional \$15 for any additional routines by the team. This entry fee includes your receiving a video tape of each of your performances – professionally taped by Alive Video. Any team entering that is not a member of IDTA pays an entry fee of \$70. If you are entering a team that is not a member of IDTA please contact me or check the IDTA web site to have the necessary forms completed to allow your team to perform – the IDTA web site is <http://idta.org>

Please return your entry no later than **December 20** – the holidays are involved so please keep that in mind. If you have a problem with returning your entry and fee – just give me a call or an email.

Home Phone – 618-398-2605    Email – [ogansmann@althoff.net](mailto:ogansmann@althoff.net)

You can leave a message with the needed information and I will be checking my email often.

If you have any questions just give me a call or send your questions via email.

Look forward to your team being a part of Althoff's IDTA Contest.

Sincerely

Orella Gansmann
