After I receive your application I will notify you about set up times – at this time I know the setup time for the State Contest will be Friday, March 12 I will have to let you know the time frame once U of I notifies me of that information. The U of I will not allow any vendors to set up on March 13.

College Dance Teams – you are welcomed to provide flyers at the Team Entrance – if you want a table in the Vendor area you will have to be charged \$45 – that is the cost of a vendor table for a non-selling vendor.
